General Information

DOGS

Please keep dogs on leads at all times, we have free range chickens on site and the odd rogue sheep or goat that likes to have adventures! Please clean up after your dog, we are a family site and the idea of kids (anyone) standing in dog poo and bringing it inside their tents, is quite horrid, be considerate.

RUBBISH

We have a bin area at the back of the shop, the bins are labelled cardboard, general waste etc, please pop the right rubbish in the correct bins. Barbecues and charcoal must be disposed of in the metal bbq bin, to prevent fires, no general waste in this bin please. Please do not leave rubbish bags beside the bins or beside your tents, unfortunately the seagulls are not trained and if they see a bin bag they will tear it to shreds! Large items should be taken to the local tip at Ilfracombe.

SHOP, RECEPTION, TAKE AWAY

Opening times are on the front door, we are open at 8.30am ready to serve breakfast baps, we have milk, bread, eggs, camping equipment, bbq food, wine, beers and more. Grab a take away menu from us at reception.

WETSUITS

We have a wetsuit washing area behind the gas compound at the back of the shop, please do not wash them in the sinks or showers.

LAUNDRETTE

Open from 8.30am - 7pm there is one washing machine, one tumble dryer and an iron. We also have a fridge freezer in here, for you to keep food fresh, and freeze ice packs.

KITES

Please do not fly kites near overhead power cables.

GRASS BANKS

Please do not climb on the grass banks, they are planted with shrubs and bushes to help shelter pitches.

NOISE

We are a family site, please be considerate to your neighbours. Tents, caravans and vans have paper thin walls, and everyone hears everything!!! No music, loud talking, singing after 10pm

SECURITY

Please be vigilant, do not leave valuables or money on show in your car/tent.

DOCTOR/HOSPITAL

The local doctor surgery is in Woolacombe 01271 870276 our nearest minor accident hospital is Ilfracombe Tyrell 01271 863448 or Barnstaple hospital.

DEPARTURE

All pitches must be vacated by 11am on your day of departure, if you would like to stay another night, please come and see us in Reception.

BARBEQUES

We are happy for you to place bbq's directly on the grass, we are not worried about the grass getting scorched, and please do not remove rocks from our planting area.

Keep up to date with us on Facebook, Instagram and Twitter, use the #littleroadwayfarm to show us your pictures!
